Wakeboard Australia's Season 2010 came to an end last Saturday in Renmark SA, with the finals of the Ocean & Earth Australian Nationals.

We were blessed with perfect conditions & 37C days while the Supra 22SSV laid down the perfect wave for the competitors to show all their considerable abilities...

This season saw Under 9's Boys throwing down front & back rolls, 10-14 boys performing Whirley 540's, toe 720's & laying down runs that would have competed in the Open Mens division.

The Renmark Club provided us with the perfect base for a week of intense competition. & festivities.

State competed against State for the "State Teams Trophy", this year it was a jubilant Victorian Team that took the honours for the first time.

Competitors paid tribute to the quality of the Judges as the event was run without a single protest of the results.

The Red Bull Encouragement award was won by Elliot Digney from NSW so keep an eye above Sydney for him assisting the Red Bull Stunt Plane in performing a few front & back rolls of its own!

The Mark Kenny Award went to Jordan Uren from Victoria amongst a flood of tears from his proud parents.

Twelve competitors were awarded an all expenses paid Training Camp at either Black Diamond or Pro Wake Academy and the Winner of the Open Mens, Womens, Junior Mens & Womens will also receive an extended package at Checkers Gym on the Gold Coast which is similar training given to AIS athletes.

We were visited by The AWWF Executive Officer, Gary Humphreys who watched over the events finals.

The Asian Australian Oceanic games team was selected & includes Rebecca Gange (SA), Lauren Bell (Vic), Jacob Hore (Vic), Jarrod Askew (QLD) & invited rider, Harley Clifford (QLD).

Next years Nationals will be hosted by Queensland & preparations are well under way for what promises to be a massive event on the Gold Coast. Keep an eye on www.wakeboardaustralia.com.au for details as planning progresses.

A special thanks to everyone who assisted in running the event, Wakeboard Australia is in great shape!

For sponsorship opportunities for either the National Team, Nationals or Wakeboard Australia.
