Other info

There are several places to get breakfast from during the event. Many of you will make your own at your accommodation, there is a café straight across the road from the venue that do brilliant egg and bacon burgers, a patisserie in the main street and Macca's on the highway in. The Club will have lunch specials where you can sit down on the deck, or inside in the air conditioning and enjoy the action on the river, with the course only metres away.

If you need a map of Renmark, you can click on the link below and the venue is marked with a blue balloon.
